

# How to “Orgone-ize” your Home, Business and Area!

In order to bring back the **Life Force** that was originally here on Earth and that we need to have in order to live healthily, we have the tool of Orgone/“Orgonite”™.

*We now have the tools to create the environment we want in our home, neighborhood or business.*

**How can I know what I need and where do I start?**

## 1. Measure the Positive Life Force frequency of your home, yard, business,

**neighborhood, city etc.** This is the **Positive Orgone or POR** or Life Force that is in your area. You can douse or have someone douse for you.

**Critical mass is at 51%.**

For example: I just measured my home and the POR is at

**Home - 60%** (I have a lot of Orgone tools in my home)

In testing, we are finding that **most homes register at 5-10% and even less of Positive Life Force energy.** What takes it out is TV, microwaves, cell phones and everything else that is moving through the air and earth that has a negative effect of the life force energy needed.

**Yard - 35%**

**Immediate Neighborhood - 15%**

**City - 5%**

**State - 2%**

**Business - 40%**

**Building of Business - 25%**

**Car - 100%**

*Areas that have Orgone in them have the higher percentages.*

*Watch other areas improve as the home and business are orgone-ized.*

*Share with neighbors if this feels right.*

## 2. Choose how you wish to begin.

*Live in an energy that supports you and your dreams!*

### Level I

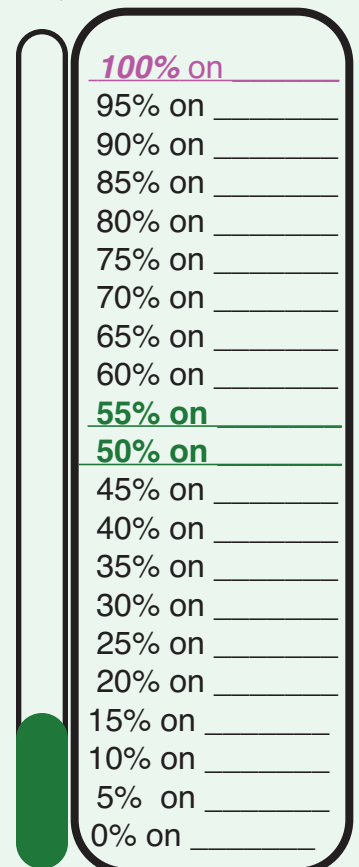

**Purchase the amount of Orgone that you can afford.** Each month continue until you have at least reached “**critical mass**”, which is 51% or continue working until your home is at **100%**.

1. Some good pieces to start with are some “**gifters**” for the yard, if you have one. Please do not forget nature. **Nature and animals need orgone as much as humans do!**
2. A minimum of 4 Personal Total Balancers (TBs) for the house and a Harmonizer.
3. If a Basic Home Package is within your budget, begin with that.

**Let the house settle in. Work with your intuition, douse or bring in someone who can douse and see what is needed next.**

## Level II Orgone Feng Shui Set (9 pieces) Very powerful set!

This set of 9 pieces assists tremendously in harmonizing your Feng Shui Energies and also “Orgone-izes” the hom. These pieces contain special energies that bring in more life force and light frequencies. (www.spiritualjourneys.com)

A good place to start is with the Basic Home Package and the Feng Shui Set as budget provides. Or gradually build each month. For we are discovering that most areas need more than just one piece and this combination is most powerful and brings the home into an “**Orgone Zone.**”

**Once a person feels an “Orgone Zone” that is close to 80-100%, there is the desire to have that in every area of life as there is an inner knowingness that this is the natural energy we live well on.**

*Wear a pendant or a small orgone piece in your pocket or purse.*

## Level III

**Orgone Feng Shui for the Yard or at least 10 “gifters” for the yard.** Some yards may need “**earth pipes.**” It totally depends on the area in which you live and where your property or place of residence is located and what may have occurred there over the millions of years.

## Level IV

Now that your place is “orgone-ized,” **help nature. Gift the Total Balancers to nature wherever you can.** It is not polluting as orgone is a organic substance. Drinking one can of coke and throwing away the can is pollution. Orgone is bringing nature back into balance and harmony - something that is desperately needed today. Gift wherever you are led or can do so. Keep some in the car.

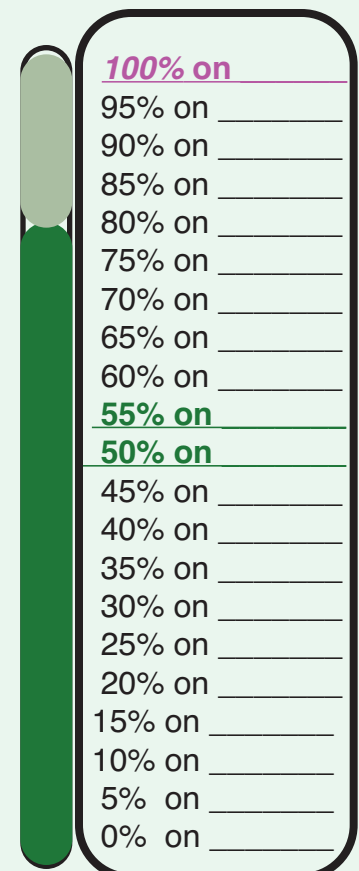

### Watch your home and all areas improve.

1. Plants and all of nature will grow much better.
2. Moods of people are so much better.
3. Focusing is so much easier.
4. Family relations are improved.
5. Sleep may be improved.
6. General sense of well being may be improved.
7. Orgone purifies the air we breathe and the water we drink.
8. Orgone mitigates the harmful effects of the many radiations we live in.
9. Animals love orgone energy.
10. Negative energy turns into positive energy.
11. Droughts end.
12. Nature comes back into balance and harmony.

*Achieve your desired percentage!*
